OBJECTIVE

Full Stack Developer with 2+ years of experience in building scalable web apps using ReactJS, Python, and Django. Skilled in UI/UX, team collaboration, and mentoring. Looking to grow in a dynamic tech-driven environment.

EXPERIENCE

Associate Software Engineer

KRAN Consultants, Trivandrum

March 2025 – Present

Developed Progressive Web Applications (PWAs) and collaborated with cross-functional teams to build intuitive user interfaces using ReactJS, Redux Toolkit (RTK), Tailwind CSS, and other modern technologies for government sector projects.

Junior Developer

Netics IT Innovations, Trivandrum

July 2023 – January 2025

Designed and developed B2B software solutions, including CMS and HRM platforms, using ReactJS, Python, and Django. Mentored colleagues and students in Full Stack Development, and delivered technical sessions at reputed institutions such as CET, MCET, and LMCST.

Frontend Developer Intern

Chainzent Pvt Ltd, Trivandrum

Sept 2022 – June 2023

Developed responsive web applications using ReactJS and Next.js, collaborating with designers to implement wireframes, animations, and UI enhancements with Tailwind CSS and external libraries, while streamlining GitHub collaboration and team workflows.

EDUCATION

B.A English

Sikkim Professional University, East Sikkim

January 2022 – January 2025

B.Tech Electronics & Communications

College of Engineering Muttathara, Trivandrum

June 2019 – June 2023 - (Pursuing)

Biology Science

Govt. Model Boys HSS Chalai, Trivandrum

June 2017 – March 2019
